IDAHO

DEPARTMENT OF LABOR

We are your rock! We are your partner in business and we are your career resource. The Idaho Department of Labor is a leader in generating quality jobs and maintaining an educated, skilled work force that serves as the foundation of strong communities with vibrant, diversified and expanding economies.

We are committed to ensuring access to a comprehensive menu of quality services and information for all our customers and partners.

Our services range from helping businesses recruit employees to helping job seekers pursue their dream jobs. Please contact your local office for direct assistance with any of the following services:

Your partner in business

- Employee recruitment and retention.
- Labor market information - wages, occupational trends, economic data and much more.
- Tips for controlling your unemployment insurance taxes.
- Assistance complying with complex labor laws.
- Business seminars and workshops.
- Employee training and business expansion.
- Tax credits.
- Required forms and posters.
- Professional facilities for meetings or interviewing.
- Connections to many other business, financial and government resources.

Your career resource

- Local, statewide, national and government job listings.
 - Job search assistance - search tips, creating resumes and much more.
 - Job market information.
 - Job search workshops and networking opportunities.
 - Computers and online access for employment-related needs.
 - Career guidance and assessments.
 - Career training.
 - Wage and hour assistance like filing claims for unpaid wages.
 - Applying for unemployment insurance benefits.
 - Specialized services for veterans, youth, adults, dislocated and senior workers.
 - Connections to many other community and government resources.
